## Additions

There have been 20 courses added to Schedule 1 of the Determination as they now meet the VSL eligibility criteria of being current and either:

- On at least two state and/or territory subsidy/skills lists; or
- A STEM related course; or
- Required for occupational licensing.

VSL approved providers seeking to offer VSL for any of these 20 newly listed courses (subject to the course being on the provider's scope of registration), should contact the Department by emailing VSLProviderApprovals@dese.gov.au.

There have been 68 courses added to Schedule 1 of the Determination as they are replacing VSL approved courses that are now non-current. Under a VSL provider's Conditions of Approval (Superseded and replacement courses), providers are automatically approved to offer replacement versions of superseded or non-current courses, subject to the replacement course being on the provider's scope of registration.

VSL providers that have replacement courses added to their scope of registration should notify the Department via the online enquiry form (select 'what is your question regarding?': Provider Operations; 'what is your enquiry about?': General Administration), so the Department can activate the course in HITS to allow enrolments to be created in the eCAF system.

## Loan cap band changes

The loan cap band for 12 Schedule 1 courses has been increased, to ensure the loan cap is sufficient for the majority of full fee-paying students.

The increased loan cap applies for the courses listed below, to both new and continuing students in respect of units with census dates from the date the Amendment Determination comes into effect. However, course or unit prices **cannot** be increased for current student cohorts.

Where course or unit fees have been published and therefore advised to the student, they cannot be increased (unless approved following the processes outlined in the VET Student Loans Manual for Providers). However, students may wish to access increased loan amounts to cover upcoming gap or up-front amounts (as per existing published amounts). Providers are reminded of the provisions relating to variation of tuition fees – which do **not** allow retrospective increases in tuition fees unless in circumstances approved on application to the Department's Secretary's delegate (refer sections 4.8.13 and 4.8.14 of the VET Student Loans Manual for Providers).

If there is a change to the VSL amount the student wishes to access (where an increased loan cap applies), a new 'VET Student Loan Statement of Covered Fees' and 'VET Student Loan Fee Notice' needs

to be issued to the student. These documents assist students to understand the component of their fees covered by the VSL, and the component that needs to be paid up-front.

If providers have existing approval to offer VSL for the courses that have changed loan cap bands, no action in relation to course approvals is required. Providers seeking to increase their 2022 Provider Fee Limit to accommodate these changes, should contact the Department by emailing VSLProviderApprovals@dese.gov.au.

## Schedule 3 – Approved courses for Specified Providers

Schedule 3 lists courses approved for specific providers and is limited to listed and not-for-profit VSL providers.

## Additions

On 28 January 2022, the Diploma of Applied Agronomy (AHC51920) and Diploma of Social Media Marketing (10904NAT) were added to Schedule 3 of the Determination following an application and assessment process for eligible providers. In assessing applications for additional courses, the Government considered evidence from providers about employment outcomes, industry demand and employer support for those courses, and their track record of student progression and completion through those courses.

While these 2 new courses were added to Schedule 3, they were also subsequently found eligible for Schedule 1. As such, these 2 courses have now been added to Schedule 1 (see Table 3).

There have also been 8 courses added to Schedule 3 of the Determination as they are replacing Schedule 3 courses that are now non-current, and 1 course has had its loan cap band increased, to ensure the loan cap is sufficient for the majority of full fee-paying students. Under a VSL provider's Conditions of Approval (Superseded and replacement courses), specified providers are automatically approved to offer replacement versions of superseded or non-current courses, subject to the replacement course being on the provider's scope of registration.

# Endnotes

## Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes
Endnote 2—Abbreviation key
Endnote 3—Legislation history
Endnote 4—Amendment history

### Abbreviation key—Endnote 2
The abbreviation key sets out abbreviations that may be used in the endnotes.

### Legislation history and amendment history—Endnotes 3 and 4
Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

### Misdescribed amendments
A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation "(md)" added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation "(md not incorp)" is added to the details of the amendment included in the amendment history.
