DISCLAIMER

Course information and content contained in this document are correct at the time of printing.
Commencement of courses is subject to funding, staffing and overall student interest.
Course information is subject to change without notice.

Studying at Central Regional TAFE means being supported in your journey towards your future career.

The stats don't lie.

89.3% of 2025 TAFE graduates in Australia were satisfied with their training.*

The majority of 2025 TAFE graduates were not only satisfied with their training, but gained employment after training as well.*

More than 90% of new jobs over the next decade will be in occupations requiring post-secondary qualifications.^

Did you know?

Central Regional TAFE's industry-experienced staff are dedicated to your success, helping you find a Vocational Education and Training Delivered to Secondary Students (VETDSS) pathway or Pre-Apprenticeships in School (PATIS) program that best suits you.

Working closely with industry partners and the community, we provide every opportunity for you to achieve your goals. This ensures our training is cutting edge, and our graduates are highly skilled and ready for tomorrow's workforce.

PATHWAYS

Whatever your career goal is, training at CR TAFE can help you get there, whether you are studying a Certificate, a Diploma qualification, or beyond.

Perhaps getting an apprenticeship or traineeship is your goal. By studying a VETDSS or PATiS qualification, you can have an advantage.

Even if you change your mind along the way, rest assured the time spent completing your vocational education and training was worth it.

VETDSS/PATiS

As a VETDSS or PATiS student, you can choose to study a:

Certificate II
Certificate III or
Certificate IV
or take on a
Pre-Apprenticeship

EMPLOYMENT-BASED TRAINING

Following your VETDSS or PATiS course, you can either take on further study at a higher level, or you can choose to take on an apprenticeship or traineeship and complete training while getting on-the-job skills and knowledge.

FURTHER STUDY

Your options here are endless - take on further study in your chosen field or beyond, and at higher levels such as: Diploma, Advanced Diploma or Bachelor Degree (University)

EMPLOYMENT

Dive in and enter the workforce in the career you've trained for! You'll already have the skills, confidence, and experience employers are looking for.

VETDSS and PATiS Pathways are the perfect introduction into the world of work. Learn practical skills in Years 11 and 12 while gaining an insight into what to expect in the workplace. Success in your program can lead to employment or give you a head start in other nationally recognised qualifications. Some higher-level qualifications even offer pathways into higher education and university studies.

VOCATIONAL EDUCATION AND TRAINING (VET) DELIVERED TO SECONDARY STUDENTS

VETDSS courses are designed for students who are still at high school but would like to start working or studying in a specific field. You can complete full vocational qualifications which will contribute towards your WACE.

Vocational courses provide training options to progress into the world of work after high school and offer a different pathway to university, apprenticeships, traineeships and other higher qualifications.

For more information on how a VET qualification can be a unique and alternative pathway into university, scan the QR code below.

We work closely with regional secondary schools to offer a wide range of programs including Pre-Apprenticeships in Schools (PATiS) and higher qualifications.

PRE-APPRENTICESHIPS IN SCHOOLS (PATiS)

PATiS programs see students attend practical and theory-based training at CR TAFE where they are taught by qualified lecturers. Students are also required to participate in work placement which is an excellent opportunity for them to showcase their skills and work readiness to potential employers.

If you are in Year 11 or 12, the PATiS program involves attending school, completing Certificate II Pre-Apprenticeship training at CR TAFE, and completing work placements.

There is no doubt employers look favourably at the candidate who has a proven track record of study, demonstrated the capacity to apply themselves to a formal TAFE course and understands the practices and terminology associated with the trade in question.

Scan me for more info:

FEES AND CHARGES

Secondary school students participating in a VETDSS/PATiS program as part of their secondary education are exempt from course and resource fees. However, depending on the chosen course, students may be required to purchase protective clothing, uniforms, text books, student cards and equipment at their own cost.

Specific information regarding fees and charges (if required) will be outlined for each qualification.

HOW TO ENROL

Speak with your parent/guardian and visit our website to apply for your course online: www.centralregionaltafe.wa.edu.au/applications In addition to this, see your School VET Coordinator, who will assist you with your application form on your behalf.

Applicants are required to attach:

- Copies of most recent school reports;
- Letter of application; and
- Any supporting documentation (for example, work placement reports, references, awards).

When completing the application, ensure you have the support of your parent/guardian and your school.

DATES

All applications for 2027 programs must be submitted via the CR TAFE website enrolment portal by 5:00pm on Friday, 21 August 2026.

APPLICATION REVIEW PROCESS

Depending on the course and individual circumstances, the review process may include activities such as an interview with a lecturer, consideration of school reports, submission of an application letter, completion of an online assessment, and recommendations from your school. Additional review activities such as aptitude tests may also be required.

Successful students will be notified in Term Four and invited to attend an orientation session on campus in January 2027.

INDUCTION AND ATTENDANCE

The student orientation day provides students with further information about scheduled classes, activities and a chance to meet the lecturer and have a tour around campus.

Students are responsible for ensuring their attendance in class and notifying their lecturers if they are unable to attend or are running late.

Attendance is recorded and all absences are sent to parents via SMS message and communicated to the student's school on the same day. Repeated absences may result in a school being contacted regarding a student's continuation in the program.

INFORMATION FOR

CLASSROOM AND TAFE ENVIRONMENT

CR TAFE is an adult learning environment with a focus on developing skills and knowledge to the standard required in the workplace. This means:

- Students are responsible for their own learning and are expected to manage their workload, and seek assistance from lecturers when needed.
- Learning activities at CR TAFE are not limited to lessons in a classroom environment and may include: lectures, tutorials, online learning, work placements, assessments, research, project work, group work or workshops.
- Course hours include a wide range of delivery and assessment activities and may not always be used for classroom teaching.
- Students under 18 years of age share CR TAFE facilities such as the library, canteen, computer labs and ablution blocks with adult students.
- Some courses are delivered across more than one campus and/ or involve a workplace. Parents/guardians are responsible for their child's travel arrangements to and from the campus or workplace.
- Students may be required to complete assessment tasks/assignments outside of their scheduled timetable. Some of these assessment tasks/assignments are undertaken in the community.

SUPERVISION

While attending CR TAFE, students are under the supervision of their lecturer taking the class. Students will not be supervised during break times. Students are expected to remain within the College grounds unless they provide their lecturer with written notification from a parent or their school that they intend to leave the College earlier than the advertised class finish time.

EXCURSIONS

CR TAFE provides parents/guardians with information on excursions prior to the event. Written parental consent will be sought for students under 18 to participate in excursions away from CR TAFE premises. If parental consent is not given, your child will not be able to attend the excursion and CR TAFE will not provide an alternative supervised activity. Students may be required to make their own way to excursions. In these situations parents/guardians will be responsible for organising transport to and from excursions.

INFORMATION

HEALTH AND SAFETY

CR TAFE strives to provide an environment that supports the health and well-being of all students by:

- Following the relevant WHS policy, guidelines and practices.
- Providing designated first-aid officers, available to students at all campuses.
- Providing assistance and if necessary, arranging for qualified medical personnel in case of an emergency.
- Promoting a friendly and inclusive environment where bullying or any form of harassment is not accepted. Any student experiencing bullying or harassment of any kind should inform a CR TAFE staff member immediately.
- Ensuring all relevant staff have a Working with Children Check subject to the Working with Children (Criminal Record Checking) Act 2004.
- Implementing the Emergency Response Plan in case of an emergency.
- Providing parents/guardians with a copy of an Accident/Incident report if their child is seriously injured.

INSURANCE

Students are not covered for Personal Accident or any loss or damage to property whilst on a CR TAFE campus. However, CR TAFE does hold cover with the Insurance Commission of WA (RiskCover) that provides Personal Accident and public liability cover for students who are undertaking approved unpaid work experience that is allocated or arranged by CR TAFE.

Personal Accident and public liability cover is also extended to those students attending any official College camp, excursion, trip or other off campus activity which is approved and organised by CR TAFE.

The responsibility is placed on parents/guardians in relation to whether they arrange their own Personal Accident insurance or private health cover for their child if they believe CR TAFE coverage is not adequate.

**VETDSS HIGHER LEVEL
QUALIFICATIONS**

BSB30120 Certificate III in Business

Be in high demand with skills that could take you anywhere. With industry and government forecasting a strong demand for office workers, a Certificate III in Business will have you ready for recruitment.

Learn skills and knowledge in administration, customer service, workplace organisation, business technology and Work Health and Safety.

ARCHIE

AUR20420 - AC29 Certificate II in

Automotive Electrical Technology (Automotive Electrical Pre-Apprenticeship)

Employers are seeking qualified and skilled workers in the automotive electrical industry. Successful completion of this pre-apprenticeship will assist you when applying for an apprenticeship.

Learn vital skills and knowledge including basic electric and electronic diagnosis, vehicle wiring, electronic drive systems, and charging systems, as well as the importance of workplace safety and health.

Further skills include:

- Communicating effectively
- Working in a team environment
- Problem solving
- Performing general vehicle maintenance and small repairs.

Most importantly you will have the opportunity to test your skills in the workplace through a supervised work placement during the course.

ADDITIONAL RESOURCES	N/A	DURATION	One (1) year program, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	Required at all times: Long pants, long sleeved drill (hi-vis) shirt, steel capped boots that comply with Australian Safety Standards, clear safety glasses.	WORK PLACEMENT REQUIREMENTS	150 hours of mandatory work placement.
CAREER OPPORTUNITIES	Successful completion of this qualification may lead to an Automotive Electrician Apprenticeship, or employment as an Apprentice Light Vehicle Mechanic, Apprentice Heavy Vehicle Mechanic, Apprentice Plant Mechanic, Apprentice Agricultural Mechanic, or Apprentice Spray Painter, Apprentice Panel Beater.	COURSE PATHWAYS	Various apprenticeships in the Automotive industry.

AUTOMOTIVE

Automotive Vocational Preparation

With this Certificate II you will learn to identify and inspect mechanical and electrical components as well as systems of light vehicles, heavy vehicles and outdoor power equipment.

This qualification also covers the skills and knowledge required to perform minor maintenance and repair of an automotive vehicle body.

You'll learn about:

- Using and maintaining tools and equipment in an automotive workplace
- Dismantling, tagging and servicing engines
- How to resolve routine problems in an automotive workplace and communicate effectively in an automotive workplace and more.

COST	NIL.	DURATION	One (1) year, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	Long drill trousers (navy blue) and short (or long) sleeved drill shirt (hi-vis yellow and blue). Steel capped boots that comply with Australian Safety Standards Safety glasses (first pair supplied by CR TAFE).	WORK PLACEMENT REQUIREMENTS	NIL.
CAREER OPPORTUNITIES	Successful completion of this qualification may lead to employment as an Apprentice Light Vehicle Mechanic, Apprentice Heavy Vehicle Mechanic, Apprentice Plant Mechanic, Apprentice Agricultural Mechanic, Apprentice Spray Painter, Apprentice Panel Beater, Apprentice Automotive Electrician.	COURSE PATHWAYS	Various apprenticeships in the Automotive industry.

UEE22020 - AC54 Certificate II in

Electrotechnology (Career Start) (Electrotechnology Pre-Apprenticeship)

Completion of an Electrotechnology pre-apprenticeship provides the skills employers are looking for as an apprentice in the electrical, instrumentation or electrical servicing trades.

Gain knowledge and practical skills to work effectively in the construction industry, use hand and power tools, interpret drawings, take electrical and electronic measurements and soldering components.

Gain skills in basic electrical tasks such as:

- Basic electrical maintenance, such as attaching wall mounted electrical outlets
- Using hand and power tools
- Solving problems in DC circuits
- Working safely in an electrical workplace.

ADDITIONAL RESOURCES	N/A	DURATION	One (1) year program, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	Required at all times: Long pants, long sleeved drill (hi-vis) shirt, steel capped boots that comply with Australian Safety Standards, clear safety glasses.	WORK PLACEMENT REQUIREMENTS	150 hours of mandatory work placement.
CAREER OPPORTUNITIES	Successful completion of this qualification provides you with the opportunity to gain an apprenticeship in the Electrical trade and other trades within the building and construction industry.	COURSE PATHWAYS	Various apprenticeships in the Electrical industry, such as UEE30820 Certificate III in Electrotechnology Electrician.

MEM20422 Certificate II in

Engineering Pathways (Fabrication)

If you are looking for a trade with many different employment opportunities, this qualification is a fantastic starting point. You will learn mechanical cutting, thermal cutting, gouging and welding.

After successful completion of this qualification, you may choose to become a trade assistant or progress to an Apprenticeship in a wide variety of fields, including; Fabrication - Heavy (Boilermaker); Light (Sheetmetal); Welder or Heavy/Welder and Fitting and Machining.

This qualification provides practical skills and knowledge in a range of metals and engineering industry areas. You will also learn about safety in the workplace, computing and maths and practice the skills you have learned in a workshop environment.

The skills packaging for the qualification has been designed on the assumption that competency will be developed through a combination of theoretical and on the tools learning, such as those delivered through a formal traineeship.

This course is an excellent opportunity to experience an insight into becoming a Fabricator or Fitter and Machinist.

Units completed may assist you in gaining employment as an apprentice.

Gain skills in:

- Using tools
- Measuring and calculating
- Technical drawing and drafting
- Load shifting
- Thermal cutting
- Using forging and casting equipment
- Welding.

ADDITIONAL RESOURCES	N/A	DURATION	One (1) year program, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	The following protective clothing and equipment is required at all times: Long pants Long sleeved drill (hi-vis) shirt Steel capped boots that comply with Australian Safety Standards Clear safety glasses.	WORK PLACEMENT REQUIREMENTS	N/A
CAREER OPPORTUNITIES	Successful completion of this qualification provides you with the opportunity to become a Trade Assistant. This course is a pathway to Certificate III in Engineering which is an apprenticeship course. You will need to be employed and registered as an apprentice/ trainee before you can commence apprenticeship/traineeship training.	COURSE PATHWAYS	Various apprenticeships in the Engineering industry.

MEM20422 Certificate II in

Engineering Pathways (Fixed and Mobile Plant)

This qualification is designed to provide foundational skills and knowledge for those interested in working with fixed and mobile plant machinery, such as those used in the construction and mining industries.

You will also learn about safety in the workplace, and will have the opportunity

to practice the skills you have learned in a workshop environment.

Successful completion will give you the knowledge and skills required to enhance your employment prospects in an engineering (or related) working environment.

ADDITIONAL RESOURCES	N/A	DURATION	One (1) year program, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	Required at all times: Long pants, long sleeved drill (hi-vis) shirt, steel capped boots that comply with Australian Safety Standards, clear safety glasses.	WORK PLACEMENT REQUIREMENTS	N/A
CAREER OPPORTUNITIES	Once completed this qualification you will have the skills and knowledge to become a Trade Assistant or gain an apprenticeship in one of the following trades within the metals and engineering sector: Fabrication - Heavy (Boilermaker), Light (Sheetmetal), Welder or Heavy/Welder trade or Fitting and Machining.	COURSE PATHWAYS	Various apprenticeships in the Engineering industry.

VETDSS CERTIFICATE II QUALIFICATIONS

SHB20121 Certificate II in Retail Cosmetics

Do you have a flair for makeup? Learn more and work in an exciting industry where you can meet new people and help build their confidence whilst doing something you enjoy.

Develop skills and knowledge to sell, demonstrate and apply cosmetic products to industry standard. You will have hands-on experience in a variety of beauty and makeup techniques.

Gain the skills needed to work in a cosmetic retail environment, including beauty and hairdressing salons, retail outlets and department stores or prepare to work as a freelance make-up artist in the future.

It also offers a pathway for further studies such as the SHB40121 Certificate IV in Beauty Therapy.

COST	Uniform - approx. \$45.	DURATION	Three (3) terms (8 months).
UNIFORM REQUIREMENTS	CR TAFE student polo shirt (uniform). Neat and casual attire in line with workplace dress standards. Comfortable, non-slip closed shoes.	WORK PLACEMENT REQUIREMENTS	NIL
CAREER OPPORTUNITIES	Successful completion provides opportunities to work in a hairdressing or beauty salon, retail outlet or department store.	COURSE PATHWAYS	SHB30321 Certificate III in Nail Technology. SHB30121 Certificate III in Beauty Services.

HAIRDRESSING

SHB20216 Certificate II in Salon Assistant

When you complete the Certificate II in Salon Assistant, you'll develop practical skills to support a busy salon environment and assist qualified hairdressers and barbers. This course provides a strong foundation for further training in hairdressing or barbering.

Gain the knowledge and skills to support hairdressers in a salon - shampooing, colouring and braiding hair, maintaining hair tools, scheduling appointments, merchandising and workplace health and safety.

COST	Uniform - approx. \$45.	DURATION	Three (3) terms (8 months).
UNIFORM REQUIREMENTS	CR TAFE student polo shirt (uniform). Neat and casual attire in line with workplace dress standards. Comfortable, non-slip closed shoes.	WORK PLACEMENT REQUIREMENTS	NIL
CAREER OPPORTUNITIES	Successful completion of the Salon Assistant provides a stepping stone into a Hairdressing/Barbering Apprenticeship.	COURSE PATHWAYS	SHB30416 Certificate III in Hairdressing – Apprenticeship pathway.

BUILDING & CONSTRUCTION

52893WA - AD12 Certificate II in

Building and Construction (Pathway-Trades) (Carpentry Pre-Apprenticeship)

On successful completion of this course you can seek an apprenticeship in the building and construction industry in your chosen trade stream and gain credit towards an apprenticeship for completed subjects.

The first stage of the course has units common to eleven construction trades, providing a great introduction to the industry, its culture, occupations, job roles and workplace expectations.

The elective units of competency are carpentry based, covering Work Health and

Safety requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials. Students gain full industry experience whilst on work placement.

Develop skills in:

- General construction techniques
- Working as part of a team
- Work safely in the construction industry
- Using a variety of construction tools and equipment.

ADDITIONAL RESOURCES	N/A	DURATION	One (1) year program, two (2) days per week.
UNIFORM REQUIREMENTS	Required at all times: Long pants, long sleeved drill (hi-vis) shirt, steel capped boots that comply with Australian Safety Standards, clear safety glasses.	WORK PLACEMENT REQUIREMENTS	110 hours of mandatory work placement.
CAREER OPPORTUNITIES	On completion of this course, you may be able to seek an apprenticeship in the construction industry.	COURSE PATHWAYS	Various apprenticeship or higher qualifications in the construction industry.

SIT20421 Certificate II in Cookery

Turn your passion for food into practical skills with this hands-on cookery qualification.

Designed for those interested in exploring the culinary industry, this course provides students with the skills to work in kitchen operations in organisations such as restaurants, hotels,

catering operations, clubs, pubs, cafés, and coffee shops; and institutions such as aged care facilities, hospitals, prisons, and schools.

In this qualification you'll learn basic food preparation and cookery skills, which you'll be able to perform under direct supervision.

COST	Uniform - from \$85.	DURATION	One (1) year program, one (1) days per week
UNIFORM REQUIREMENTS	Full chef uniform – from \$85. An order form will be provided during the first class. Chef knife kit is recommended but not essential. 1 x pair of black, slip-resistant shoes or clogs (suitable for restaurant and kitchen - with safety features that comply with Australian and New Zealand standards). Please note: All forms of sneakers and jogging shoes are not acceptable because of safety. Hair is to be clean and styled and is required to be worn up on practical days.		
WORK PLACEMENT REQUIREMENTS	Students are required to complete 12 service periods in a hospitality venue. Students may also have the opportunity to take part in community events.		
CAREER OPPORTUNITIES	Breakfast Cook, Catering Assistant, Fast Food Cook, Sandwich Hand or Take-away Cook.	COURSE PATHWAYS	Various apprenticeships in the hospitality and cooking industries, such as: SIT30821 Certificate III Commercial Cookery.

HOSPITALITY

SIT20322 Certificate II in Hospitality

Turn your people skills into a rewarding career. Hospitality is a dynamic industry that offers opportunities to work locally, across Australia and around the world.

A Certificate II in Hospitality gives you the skills and knowledge to start your career in restaurants, hotels, cafés, bars, resorts and event venues. The hospitality industry offers

a range of pathways, from front-line customer service roles through to supervisory and management positions.

You'll gain hands-on experience in barista service, customer service, food and beverage operations, restaurant service and event support, helping you build the confidence and practical skills employers are looking for.

COST	Uniform – \$45.00 (approx.).	DURATION	One (1) year program, one (1) day per week.
UNIFORM REQUIREMENTS	Black CR TAFE work shirt (uniform) to be confirmed with lecturer during the first class. Black trousers or business skirt (worn with stockings). 1 x pair of black, slip-resistant shoes or clogs (suitable for restaurant and kitchen - with safety features that comply with Australian and New Zealand standards). Please note: All forms of sneakers and jogging shoes are not acceptable because of safety.		
WORK PLACEMENT REQUIREMENTS	Students are required to complete 12 service periods in a hospitality venue. Students may also have the opportunity to take part in community events.		
CAREER OPPORTUNITIES	Café Attendant, Catering Assistant, Bar Attendant, Front Office Assistant.	COURSE PATHWAYS	Further study in hospitality and/or events, such as: SIT30821 Certificate III in Commercial Cookery.

COMMUNITY SERVICES

CHC22015 Certificate II in Community Services

Do you have a passion for working with those in need and making a positive impact to their lives? Community service workers provide support to individuals, groups and communities and work with them to identify what social, emotional, psychological, practical and other supports they may need to face life's difficulties and challenges.

They encourage and assist people to access those services and advocate for social justice. Community service workers have a powerful impact on the lives of individuals and on the way our society deals with social changes, challenges and issues.

This qualification may be used as a pathway into the workforce which currently is a growth area. It can also be used as a step into further studies such as aged care, community, disability, youth or home and community care.

It will prepare you to work in roles where you will:

- Support individuals by providing a first point of contact in a crisis situation and referral to a broad range of services, or

- Work in residential facilities and/or in community services under direct or regular supervision within clearly defined organisation guidelines and service plans.

Those who work at this level:

- May provide assistance and support to clients accessing a service or experiencing issues such as alcohol and/or other drug issues
- Assist people in meeting their immediate needs e.g. by providing shelter and food
- Provide short-term contact with clients in a crisis situation during which time they establish a helping relationship to define the crisis and provide referral information where appropriate
- May provide ancillary services such as catering, cleaning, laundry, gardening and home maintenance
- Report directly to a supervisor and are not responsible for other workers.

ADDITIONAL RESOURCES	Uniform - approx. \$45.	DURATION	One (1) year, one (1) day per week.
UNIFORM REQUIREMENTS	CR TAFE student polo shirt (uniform). Neat and casual attire in line with workplace dress standards. Comfortable, non-slip closed shoes.	WORK PLACEMENT REQUIREMENTS	NIL.
CAREER OPPORTUNITIES	Successful completion of this qualification provides you with the opportunity to become a Assistant Community Services Worker, Personal Care Assistant, Front Desk Officer / Receptionist, Support Worker, Youth Worker or a Residential Support Worker.	COURSE PATHWAYS	CHC32015 Certificate III in Community Services. CHC33021 Certificate III in Individual Support.

RESOURCES

RII20120 Certificate II in

Resources and Infrastructure Work Preparation

This broad qualification will give you practical foundation skills you need to carry out a range of basic tasks in the resource and infrastructure sectors, such as mining and mineral exploration, drilling, petroleum exploration and construction.

This course focuses on site safety, communication and teamwork and a variety of skills that will launch you into further study or even an apprenticeship or traineeship.

You will gain knowledge and skills in:

- Complying with site rules and procedures
- Performing measurements and calculations
- Operating equipment
- Using hand and power tools
- Welding and cutting
- Operational maintenance.

COST	NIL.	DURATION	One (1) year program, 8 x 1-week blocks.
UNIFORM REQUIREMENTS	CR TAFE student hi-vis shirt (uniform). Long drill trousers. Steel capped boots that comply with Australian standards.	WORK PLACEMENT REQUIREMENTS	NIL.
CAREER OPPORTUNITIES	Construction site assistant. Workshop assistant. Civil Construction assistant.	COURSE PATHWAYS	Various apprenticeships in trade industries, such as: RII30820 Certificate III in Civil Construction Plant Operations.
