

Ready for your next step?

Your 2027 starts here

Build the skills to go further and explore what's possible

**Central
Regional**

More than a qualification

Skills for today. Confidence for tomorrow.

Whether you're starting your first career, changing direction, returning to study or building on existing experience, every journey starts somewhere.

At Central Regional TAFE (CR TAFE), you'll gain practical, industry-relevant skills through hands-on learning, flexible study options and training designed around the needs of regional Western Australia. Guided by experienced lecturers and supported by strong industry connections, you'll be ready to take advantage of new opportunities wherever they lead.

Every year, our graduates go on to secure employment, start apprenticeships, continue their studies and achieve goals they once thought were out of reach.

Success is about more than gaining a qualification - it's about building the capability and confidence to create your own future.

Why choose Central Regional TAFE?

- Flexible study options that fit around your lifestyle
- Industry-connected training aligned to workforce needs
- Practical, real-world learning experiences
- Support from enquiry through to graduation
- Pathways to further study and employment
- Campuses located throughout regional Western Australia

At CR TAFE, success looks different for everyone. For some, it's landing their first job. For others, it's changing careers, gaining a promotion, starting a business or achieving a personal goal.

Whatever your ambition, we're here to help you take the next step.

You can make it here

Explore courses and career pathways on our website.

Find your pathway

One goal. Many ways to get there.

Your journey will look different to everyone else's. Whether you're looking for your first qualification, building on existing experience, changing careers or preparing for university, there's a pathway to help you get there.

Study Your Way

Many courses are available through a range of delivery options, including:

- On campus
- Online
- Flexible learning
- Blended delivery

Visit our website for course information, career pathways, entry requirements and study options.

Choose the option that suits you

Certificates I & II

Build foundation skills and confidence for work or further study.

Certificates III & IV

Develop practical, industry-ready skills for your chosen career.

Diplomas & Advanced Diplomas

Gain advanced knowledge and specialised training that can lead to leadership roles or further study.

Apprenticeships & Traineeships

Earn while you learn and gain real-world experience in the workplace.

Skill Sets & Short Courses

Build specific skills quickly to meet industry requirements, explore a new field or enhance your existing knowledge.

VETDSS & School-Based Pathways

Get a head start on your future while completing secondary school.

Recognition of Prior Learning (RPL)

Receive recognition for the skills and experience you already have.

Ready to take the next step?

Your future starts here

Whether you're looking for your first job, a career change, new skills or a qualification to help you go further, getting started is easier than you might think.

How to Apply

1. Explore courses on our website.
2. Check the course information and entry requirements.
3. Submit your application or expression of interest.
4. Complete your registration.
5. Confirm your enrolment and get ready to begin.

Before applying, you'll need a Unique Student Identifier (USI). Some courses also have specific entry requirements, and delivery options may vary by campus.

Visit our website for course information, application dates and enrolment details.

Support for Success

You're not doing this alone.

Starting something new can feel like a big step, but support is available every step of the way.

From helping you choose the right course to assisting with study, financial support and career planning, our team is here to help you make the most of your training experience.

Support Available

- Course and career guidance
- Learning and study support
- Aboriginal student support
- International student support
- Scholarships and financial assistance
- Payment plan option
- Student accommodation at selected campuses
- Jobs and Skills Centre services
- Access and equity support

Whatever your goal, we'll help you build the confidence, knowledge and practical experience to move forward.

Your next step starts here.

Informed choices

Is this course right for me?

In order to make an informed choice about the suitability of a course, you must take into account the essential skills and knowledge in addition to the critical aspects of assessment of a course or qualification.

Please review the informed choices information for each course on our website and consider if you might experience challenges in meeting the student expectations and inherent requirements.

If you think you might experience challenges at CR TAFE related to a disability or mental health condition, you can discuss your concerns with the Student Support Services team or your lecturer.

Course fee information

Fee free training

Look for this icon on eligible Fee free qualifications, skill sets and short courses.

Fee free training removes course tuition fees, helping more Western Australians access training for jobs in priority industries.

Eligibility criteria apply. Resource, material and licensing fees may still be payable. Existing worker traineeships are not eligible for Fee Free arrangements.

Lower fees, local skills

Look for this icon on eligible Low fee qualifications.

These courses are available at a reduced cost through the WA Government's Lower fees, local skills initiative, helping make training more affordable.

Other fees may apply for some qualifications.

For current eligibility information, fee caps and FAQs, visit [Jobs and Skills WA](#).
