# Your Future. Your Choice. Your TAFE.

Central Regional TAFE spans four regions and around 57% of Western Australia, with nine campuses delivering training that reflects the industries driving our state's economy. From the Midwest and Wheatbelt to the Gascoyne and Goldfields, our footprint is vast – and so are the opportunities.

Studying regionally connects you directly with the jobs that matter. With most agricultural, health, and construction roles based in regional WA, training close to home ensures you build skills where the demand is.

Each campus is shaped by its community and industries. Whether it's aquaculture on the coast, mining in the Goldfields, or agriculture in the Wheatbelt, we work hand-in-hand with employers to make sure your training is current, practical, and linked to real apprenticeships and work placements.

Wherever you live, your local campus is ready to help you succeed – while keeping skills, jobs, and opportunities right here in regional WA.

# Your Campus. Your Training. Your Career.

At Central Regional TAFE, it's all about you. We're here to help you shape the future you want, with the right support every step of the way.

Learn from industry experts who bring real-world knowledge into the classroom and gain the confidence and skills employers are looking for. With over 300 nationally recognised courses – from Certificate I through to Advanced Diploma – plus a wide range of short courses, there's a pathway for every ambition.

We know life is busy, so our flexible and online study options help you balance training with work, family, and everything else you've got going on. Add to that payment plans and tailored support, and achieving your goals has never been easier.

Whether you're leaving school, changing careers, or upskilling, you'll find a place at TAFE – and a pathway to a future that works for you.

Train where you live. Build real skills. Shape a future that works – with Central Regional TAFE.

### IS THIS COURSE RIGHT FOR ME?

If you're keen to get hands on, love the idea of shaping metal with fire and heat, or want practical skills that may open doors into trades and fabrication as a T/A, then yes, this course is absolutely for you.

**RIISAM205E Cut, weld and bend materials** - Step into the workshop and learn the fundamentals of metal fabrication using real industry techniques. In this action-packed short course, you'll get the basics of MMAW (stick welding), GMAW (MIG welding), and oxyacetylene cutting, along with essential metal bending skills. Whether you're beginning a trade pathway, upskilling for work, or just want to build things with your own two hands, this is your chance to spark a new skill and possibly a new career path.

#### **Fast. Practical. Full-on.**

If you're ready to strike an arc, slice through steel, and shape metal like a pro, this course is your starting point.

### Information you need to know about the course

Before enrolling in RIISAM205E Cut, weld and bend materials Skill set, Mandatory 18 + years old to enrol, it's important to understand the physical, environmental, and behavioural demands of the course.

The course runs for 8 consecutive weeks on a Monday night term 1 and term 4 from 5pm until 8pm, and Term 2 and 3, for 8 consecutive Tuesday nights from 5pm until 8pm.

#### **Physical Requirements:**

- Standing for periods of time.
- Operating or being around mobile plant and machinery.
- Manual handling and use of hand and power tools.
- Using flame and heating equipment

#### **Environmental Requirements:**

- Exposure to heat, cold, noise, and dust.
- Working in busy, team-based workshop.

#### **Workplace Behaviour Expectations:**

- Punctuality, reliability, and readiness to learn.
- Wearing and caring for required personal protective equipment (PPE).
- Maintaining a safety-first mindset at all times.
- Respecting others and working professionally in shared spaces.

This course is suited to students who enjoy practical, hands-on work, are physically capable, and can commit to safe and responsible behaviour in engineering environments.

## Course Pathways

This unit RIISAM205E Cut, weld and bend materials, describes the skills and knowledge required to cut, weld and bend materials in the resources and infrastructure industries.

It applies to those working in operational roles. They generally work under supervision to undertake a prescribed range of functions involving known routines and procedures and take responsibility for the quality of work outcomes.

Licensing, legislative and certification requirements may apply to this unit and can vary between states, territories and industry sectors. Users must check requirements with relevant body before applying the unit.

Further details can be found on our website [here](#).

## National Course Entry Requirements

Entry requirements apply to this course. Nil

## Central Regional TAFE (CR TAFE) Entry Requirements

You must have a Unique Student Identifier (USI) to enrol in and complete any nationally recognised training in Australia. If you do not have a USI or need help getting one, we can assist you with the process.

**Before you enrol**, you will be required to complete a 'Course Ready Quiz' to identify if you have the literacy, numeracy and digital literacy skills for studying this course.

## Fees and Payments

Whether you are enrolling in individual units and/or full qualifications at CR TAFE, you are responsible for paying the enrolment fee for each unit you enrol in.

You will find detailed information about your course costs and how they are calculated on our website [here](#).

You can also check the drop-down box for FEES on your course page on the website which has details about the course fees.

Further information on:

## My Portal

There is a variety of information available to students on our website under [Current Students myPortal](#). Once you are enrolled, the Student Portal will allow you to view the following:

- My application - view the status of your application to study
- My payments - view your payment history and instalment plan details (if relevant)
- My study - view your course details, units and academic records
- My details - view and update your personal information
- My tasks - view any notices from Central Regional TAFE
- Blackboard - links directly to the Blackboard e-learning platform

## Recognition of Prior Learning

Recognition of prior learning (RPL) means an assessment process that involves assessment of an individual's relevant prior learning and experience (including skills and knowledge obtained through formal and informal learning) to determine the extent to which the individual meets requirements specified in the training product. If you think you have existing knowledge and skills in one or more of your units of study, you may apply for RPL. Should you apply for RPL, you will be supported through the process by a lecturer. For further information visit our website [here](#).

## Credit

Credit can be given if you have successfully completed a unit or module that has the same code or is deemed equivalent to one in your current course. You may have completed this unit/module at a Registered Training Organisation or at an alternate authorised organisation such as a university.

You will have to provide some evidence you have successfully completed the unit or module. This might include authenticated VET transcripts or other AQF certification documents like Statements of Attainment, Records of Results etc.

You won't be charged for credit. If you think this might apply to you, contact your lecturer to discuss eligibility, the application process and the evidence you need to provide.

**Note:** CR TAFE will not issue an Award or Statement of Attainment that is achieved wholly through crediting units completed at another RTO.

## Appeals and Feedback

CR TAFE values student feedback and recognises that opportunities to improve products and services arise from the effective handling of student complaints. Complaints are processed in a way that balances the interests of students and CR TAFE while making sure the process is fair for everyone.

Students are supported to [provide feedback and make complaints](#). Students have the right to appeal decisions made by the lecturer/assessor and CR TAFE. For example, if you have concerns about your assessment results, please approach your lecturer to discuss the issue and/or refer to our website for details [here](#).

## Student Support Services

CR TAFE aims to provide a supportive learning environment for all students. If you have any support needs, either before you enrol or during your course, we encourage you to speak with your lecturer or the Student Support Services team. CR TAFE will provide, or help you access, the support that can assist you in your studies.
