Training Product:

Your Future.

Your Choice.

Your TAFE.

Central Regional TAFE spans four regions and around 57% of Western Australia, with nine campuses delivering training that reflects the industries driving our state's economy. From the Midwest and Wheatbelt to the Gascoyne and Goldfields, our footprint is vast – and so are the opportunities.

Studying regionally connects you directly with the jobs that matter. With most agricultural, health, and construction roles based in regional WA, training close to home ensures you build skills where the demand is.

Each campus is shaped by its community and industries. Whether it's aquaculture on the coast, mining in the Goldfields, or agriculture in the Wheatbelt, we work hand-in-hand with employers to make sure your training is current, practical, and linked to real apprenticeships and work placements.

Wherever you live, your local campus is ready to help you succeed – while keeping skills, jobs, and opportunities right here in regional WA.

Your Campus. **Your Training.** **Your Career.**

At Central Regional TAFE, it's all about you. We're here to help you shape the future you want, with the right support every step of the way.

Learn from industry experts who bring real-world knowledge into the classroom and gain the confidence and skills employers are looking for. With over 300 nationally recognised courses – from Certificate I through to Advanced Diploma – plus a wide range of short courses, there's a pathway for every ambition.

We know life is busy, so our flexible and online study options help you balance training with work, family, and everything else you've got going on. Add to that payment plans and tailored support, and achieving your goals has never been easier.

Whether you're leaving school, changing careers, or upskilling, you'll find a place at TAFE – and a pathway to a future that works for you.

Train where you live. Build real skills. Shape a future that works – with Central Regional TAFE.

Release number	4.00
Required number of units for course completion	Total number of units = 13 • 5 core units • 8 elective units
Duration	6 months from the date of enrolment per unit
Location	Geraldton Campus
Delivery mode	Blended

IS THIS COURSE RIGHT FOR ME?

Before you choose this course, it's a good idea to think about the skills and knowledge you might need. The information below will help you decide if the course is a good fit for you, or if there are areas where you might need some extra support.

Information you need to know about the course

This qualification prepares learners to become skilled laboratory technicians across a variety of laboratory settings, including schools, mining, construction, and manufacturing industries.

Students typically enrol in two units at a time and progress through the qualification at their own pace, with a six-month timeframe allocated for the completion of each enrolment period. Elective units are selected based on the learner's workplace goals, available laboratory equipment, and any prior learning. Each student is provided with an individualised study plan to ensure a coherent and achievable training pathway.

The recommended sequence of delivery is:

- MSL943004 Participate in laboratory or field workplace safety
- MSL913004 Plan and conduct laboratory/field work
- MSL922002 Record and present data
- BSBCMM211 Apply communication skills
- MSL933009 Contribute to the achievement of quality objectives
- followed by Group A electives and all other elective units.

Assessments will be conducted online via CR TAFE, in the B022 Science Laboratory at Geraldton Campus, and at field sites across the Midwest, including Chapman and Greenough Rivers and Green Street Reserve. Selected practical assessments are scheduled as set blocks at the Geraldton Campus each semester to ensure learners gain hands-on experience in both laboratory and field settings.

Course Pathways

This course aims to help you develop skills and knowledge that may support entry into a range of laboratory related job roles. Further studies may include:

- MSL40122 Certificate IV in Laboratory Techniques.
- MSS40222 Certificate IV in Environmental Monitoring and Technology

Further details can be found on our website [here](#).

National Course Entry Requirements

Entry requirements apply to this course - Nil

Central Regional TAFE (CR TAFE) Entry Requirements

You must have a Unique Student Identifier (USI) to enrol in and complete any nationally recognised training in Australia. If you do not have a USI or need help getting one, we can assist you with the process.

This program is delivered to a diverse cohort that includes school leavers, mature-age learners, and Culturally and Linguistically Diverse (CaLD) students. Learners are typically aged 15 and above, of any gender. Some may have prior education, industry experience, or part-time employment, which may support accelerated progress through the course.

Before you enrol, CR TAFE is required to review your language, literacy, numeracy and digital (LLND) skills to help you decide if the course is right for you, identify any support you might need, or whether other learning options may be better suited to you at this time.

For this course, the method of LLND review will be an informal interview with your lecturer to discuss your current LLND skills and how they relate to this course's content.

Examples of required LLND skills include:

- Reading skills to interpret work instructions, workplace policies and procedures correctly
- Writing skills to enter data into workplace information systems
- Writing skills to present information using appropriate grammar, spelling and punctuation
- Language skills to report hazards and incidents
- Numeracy skills to calculate simple scientific quantities using given formulae and data
- Digital skills to use sampling and measuring equipment
- Digital skills to use online reporting systems

Fees and Payments

Whether you are enrolling in individual units and/or full qualifications at CR TAFE, you are responsible for paying the enrolment fee for each unit you enrol in.

You will find detailed information about your course costs and how they are calculated on our website [here](#).

You can also check the drop-down box for FEES on your course page on the website which has details about the course fees.

Further information on:

- key payment terms and conditions
- availability of any relevant government training entitlements and subsidies
- our withdrawal and refund requirements

is available under the Fees and Payment Options section in the Student Handbook on our website [here](#).

Our Student Business Systems team can help if you are unsure about any fee information. Please refer to the Contacts section, on how to contact us.

Learning Resources

Learners will have full access to college suites of applications, including:

- Microsoft 365 - Word, PowerPoint, Excel, Teams
- Teams tutorial sessions
- Adobe
- Web links
- Blackboard LMS

Resources and equipment you need to provide

You are required to provide (at your own expense) the following list of resources/equipment:

- Access to suitable equipment and workplace
- Steel cap lace up boots and other workplace specific clothing and PPE
- Calculator, ruler, pens, pencils and other writing implements
- Paper/A4 exercise books, folder (Ring and display), protector sheets

CR TAFE online library resources

Our online library has a wide range of electronic resources useful to your course. You can find our online library on the CR TAFE website [here](#). Library staff are available to assist you as required.

My Portal

There is a variety of information available to students on our website under [Current Students myPortal](#). Once you are enrolled, the Student Portal will allow you to view the following:

- My application - view the status of your application to study
- My payments - view your payment history and instalment plan details (if relevant)
- My study - view your course details, units and academic records
- My details - view and update your personal information
- My tasks - view any notices from Central Regional TAFE
- Blackboard - links directly to the Blackboard e-learning platform

Recognition of Prior Learning

Recognition of prior learning (RPL) means an assessment process that involves assessment of an individual's relevant prior learning and experience (including skills and knowledge obtained through formal and informal learning) to determine the extent to which the individual meets requirements specified in the training product. If you think you have existing knowledge and skills in one or more of your units of study, you may apply for RPL. Should you apply for RPL, you will be supported through the process by a lecturer. For further information visit our website [here](#).

This is a short-duration course structured around hands-on practical training, with assessments conducted through direct observation of skill demonstrations. In this context, Recognition of Prior Learning (RPL) would not be a suitable option.

Credit

Credit can be given if you have successfully completed a unit or module that has the same code or is deemed equivalent to one in your current course. You may have completed this unit/module at a Registered Training Organisation or at an alternate authorised organisation such as a university.

You will have to provide some evidence you have successfully completed the unit or module. This might include authenticated VET transcripts or other AQF certification documents like Statements of Attainment, Records of Results etc.

You won't be charged for credit. If you think this might apply to you, contact your lecturer to discuss eligibility, the application process and the evidence you need to provide.

Note: CR TAFE will not issue an Award or Statement of Attainment that is achieved wholly through crediting units completed at another RTO.

Appeals and Feedback

CR TAFE values student feedback and recognises that opportunities to improve products and services arise from the effective handling of student complaints. Complaints are processed in a way that balances the interests of students and CR TAFE while making sure the process is fair for everyone.

Students are supported to [provide feedback and make complaints](#). Students have the right to appeal decisions made by the lecturer/assessor and CR TAFE. For example, if you have concerns about your assessment results, please approach your lecturer to discuss the issue and/or refer to our website for details [here](#).

Student Support Services

CR TAFE aims to provide a supportive learning environment for all students. If you have any support needs, either before you enrol or during your course, we encourage you to speak with your lecturer or the Student Support Services team. CR TAFE will provide, or help you access, the support that can assist you in your studies.

Training Support:

You are encouraged to identify any training support that you may need before you enrol and at any point during your learning journey. This may include but not limited to:

- Study Skills
- Accessing and using technology
- Assessments
- Disability support
- Aboriginal and Torres Strait Islander support

Wellbeing Support:

CR TAFE is dedicated to supporting students and to providing a safe and inclusive learning environment for all students including a culturally safe learning environment for Aboriginal people. CR TAFE recognises that student wellbeing is important for a successful learning journey and may provide, or support access to, appropriate services where needed. Wellbeing support may include, but not limited to:

- Counselling and mental health resources (external)
- Career Services and Guidance (internal)
- Financial (fee and debt payment options, scholarships) (internal)
- Abuse, harassment, bullying (internal and external)
- Crisis and Support Lines (external)
- Support for Aboriginal students (internal and external)
- Aboriginal Counselling Support (external)
- Support for students with disability (internal and external)
- Support for international students (internal)

For confidential, no obligation contact information for wellbeing support, please contact our Student Support Services team who can help you with more information on how to access these support services, or go to our [website](#).
