TAFE WA Central Regional

Course

Pre-Enrolment Guide

Training Area:

Civil Construction General

Training Product:

RII30920-AD00
Certificate III in Civil Construction (Civil Construction General)

RII30920-AD00 Certificate III in Civil Construction (Civil Construction General)

Release number	4
Required number of units for course completion	25 units
Course Duration	4 Days a week for 14 Weeks (Tuesday – Friday)
Location/s	Technology Park
Delivery mode	• **Face to Face** - Requires you to attend classes on campus and may include activities such as demonstrations, practice and feedback, discussions and group activities. In some courses there may be a requirement to undertake some of the training and/or assessment in a workplace.

Course Description

This qualification reflects the role of individuals working as skilled operators in civil construction, who apply a broad range of skills in varied work contexts, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team.

Licensing, legislative, regulatory or certification considerations

Licensing, legislative and certification requirements that apply to this qualification can vary between states, territories, and industry sectors. Users must check requirements with relevant body before applying the qualification

Training.gov.au

Course Considerations

Physical capability: Ability to undertake physically demanding tasks, including standing for extended periods, manual handling, using hand and power tools, undertaking excavation activities, working at heights and in confined spaces, and safely operating mobile plant and machinery.

Emotional and mental requirements: Ability to follow instructions and safety procedures, maintain concentration when operating plant and equipment, communicate effectively, work as part of a team, manage workplace risks and respond appropriately to changing or potentially hazardous situations.

Environmental requirements: Training may involve working outdoors in varying weather conditions, including heat, cold and wind, and exposure to dust, noise, vibration, uneven ground, machinery and other conditions typical of civil construction environments.

Course fees

For information about fees, refer to the Course Website.

Courses | Central Regional Tafe

Course Pathways

Pathways into the qualification, may include:

- General interest in civil construction or plant operations.
- Previous experience in construction, civil, mining, agriculture or related industries.

Pathways from this qualification, may include:

- Further study in civil construction, plant operations, supervision or related qualifications.

Further details can be found on our website here.

National/State Course Entry Requirements

Nil

Central Regional TAFE (CR TAFE) Entry Requirements

You must have a Unique Student Identifier (USI) to enrol in and complete any nationally recognised training in Australia. If you do not have a USI or need help getting one, we can assist you with the process.

- Minimum age is 16 years

Language, Literacy, Numeracy and Digital (LLND) Requirements

CR TAFE is required to review your language, literacy, numeracy and digital (LLND) skills to help you decide if the course is right for you, identify any support you might need, or whether other courses may be better suited to you at this time.

For this course, the method of LLND review will be an interview with a CRTAFE staff member and a LLND quiz

Learning resources and equipment you need to bring

You are required to provide (at your own expense) the following list of resources/equipment:

- Stationery
- PPE
- Steel cap boots
- High visibility clothing - Long Pants, long-sleeved shirt

Timetable and Training Hours

The timetable provided helps you plan your week and understand your study commitments. The timetable shows which days and times you need to attend training. It helps you plan ahead and manage your participation.

TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
8:00 am-12:00 pm	OFF	Tech Park A002	Tech Park A002	Tech Park A002	Tech Park A002
12:00 pm - 12:45 pm LUNCH BREAK					
12:45 pm-4:15 pm	OFF	Tech Park A002	Tech Park A002	Tech Park A002	Tech Park A002

Assessment Methods

- Knowledge questions: This involves answering questions, either orally or in writing relating to the unit of competency.
- Observations: This involves your assessor or a third party (workplace supervisor) observing you perform tasks in the workplace and/or simulated workplace to check that you have the knowledge and skills required for the unit of competency.

Note: The specific assessments required for each unit of competency will be outlined in the Training and Assessment Plan (TAP) for that unit. You will receive a copy of the TAP for each unit when you enrol.
